

OffBeat Shangarh & Jibhi Jalori Pass

Tour Price: ₹ 14700

Days : 4, Night : 5

Shangarh and Jibhi, nestled in the serene Tirthan Valley of Himachal Pradesh, are offbeat gems offering a peaceful retreat into nature. Shangarh is known for its lush meadows, apple orchards, and stunning views of the surrounding mountains, making it perfect for quiet relaxation and short treks. The area is relatively untouched by mass tourism, offering a glimpse into rural Himalayan life. Jibhi, a small village near Shangarh, is set along the Tirthan River, surrounded by dense deodar forests. It's ideal for nature walks, trout fishing, and exploring local waterfalls. A must-visit in the region is **Jalori Pass**, located at 3,150 meters, offering breathtaking views of snow-capped peaks. The **Serolsar**

Lake trek from Jalori Pass is a highlight, with its serene waters surrounded by dense forests. Both destinations are perfect for those seeking an offbeat, peaceful Himalayan experience away from the crowds.

FAQS:

Q: 1. What is the best time to visit Shangarh and Jibhi?

A: Shangarh: The best time to visit is between March to June and September to November. These months offer pleasant weather, ideal for trekking and outdoor activities. Winters (December to February) can be extremely cold, with snow. Jibhi/Jalori Pass: The best time for this region is from March to June and September to November, as the weather is most favorable. During the winter (December to February), Jalori Pass experiences heavy snowfall, making it challenging to drive through.

Q: 2. What are the main attractions in Shangarh and Jibhi?

A: Shangarh: Shangarh is known for its apple orchards, pristine meadows, and Serolsar Lake (around 5 km trek from Jalori Pass). The picturesque Shangarh meadows are an excellent spot for a relaxed stay. Jibhi: The area around Jibhi has scenic waterfalls, riverside spots, and is surrounded by dense deodar forests. The Tirthan River offers opportunities for fishing and trout farming. Jalori Pass offers panoramic views of the surrounding Himalayan ranges, and there are several treks in the region, such as to Serolsar Lake and Raghupur Fort.

Q: 3. Are there accommodations in Shangarh and Jibhi?

A: Shangarh: There are several homestays and small guesthouses in the area. These accommodations provide a cozy, rustic experience with local food. You can also find campsites or eco-lodges in the surrounding meadows. Jibhi: Jibhi offers a variety of accommodations, from budget homestays and guesthouses to mid-range hotels. There are also campsites available for nature lovers looking for an adventurous experience. Booking in advance during peak seasons (summer and holidays) is recommended.

Q: 4. What is the weather like in Shangarh and Jibhi?

A: Spring (March to May): Mild temperatures ranging from 10°C to 20°C. It's the perfect time for trekking and exploring the outdoors. Summer (June to August): Warm and pleasant, ranging from 20°C to 30°C. This is the peak tourist season for the region. Monsoon (July to September): The region receives heavy rainfall, which can make roads slippery and treks difficult. It's not the ideal time to visit. Autumn (September to November): Cool and pleasant, with temperatures ranging from 10°C to 20°C. The weather is perfect for outdoor activities and sightseeing. Winter (December to February): The temperatures can drop below freezing, and snowfall is common, especially at Jalori Pass. It's perfect for those looking to experience snow but requires preparation for cold weather conditions.

Q: 5. What kind of clothing should I pack for this trip?

A: Summer (March to June): Light and comfortable clothing for daytimes, and warm clothes for chilly evenings. Carry a light jacket or sweater. Monsoon (July to September): Waterproof jackets, sturdy footwear, and mosquito repellent. The region can be slippery due to rain, so pack accordingly. Winter (December to February): Heavy woolens, thermal wear, gloves, scarves, and a good quality jacket. If you're visiting during snowfall, carry snow boots and extra warm layers.
